The Performance Index Bar is used to measure and benchmark the facility's score against the other population of audit results in the database using a common scoring algorithm

A. FACILITY PROFILE

A1. FACILITY INFORMATION

Facility Name:	EUROSTYLE SYSTEMS PORTUGAL SAS	Facility Legal Status:	Private
Facility Legal Name:	Eurostyle Systems Portugal SA	Year facility began operations:	2015
Audit Location:	PARQUE EMPRESARIAL LANHESES	Located in special economic zone:	No
City:	VIANA DO CASTELO	Person responsible for overall social compliance issues:	Abilio Ferreira
Country:	Portugal	Valid certificate for social compliance certification program:	
Contact Name:	Mr. Ricardo Silva	Vendor Name:	Na
Contact Title:	H&S Specialist		
Industry:	Other		
Service Providers:	Not Applicable		
Security systems in place:	The facility has a main entrance door, visitors need to ring the bell and speak in order to have an access inside the company.		
Building Description:	Facility is located in one building with two floors made of brick and stone with total building area of 20000m2. At ground floor is located the production sectors, maintenance, WCs, administration, meeting room, canteen/Social area and warehouse, at 1º floor is located the Dress room.		
Special building type:	No special building type		

A2. PRODUCTION INFORMATION

Products manufactured / Services provided:	Product Automotive Industry Plastics (vehicle door panels)	Time record system(s) used:	Others: Fingertip
Production process/ Service elements:	Product Automotive Industry Plastics - Injection, assembly and packaging	Chemicals or hazardous materials on-site:	Yes Oils, lubricants, thinner and paints.
Production capacity a week:	700.000 parts	Current production/Services for client:	Na - Facility request
Total number of machines:	34		
Main machine types:	Thermoplastic injectors, assembly and welding stations		
Shifts and Operating hours:	3 shifts From 6:00 to 14:00, 14:00 to 22:00 and from 22:00 to 6:00. With 30 minutes of break lunch. 40 hours peer week		

A3. EMPLOYEE INFORMATION

Languages spoken in the facility : **Portuguese and English**

Employee nationalities/provinces :	There are a total of 70 employees from Brazil, 2 from Angola, 1 from Colombia and 2 from Argentine.	Management and employees speak same language :	Yes

 Advancers  Constant  Decliner

Showcase of the percentage of improvement (or decline) in performance over time for this facility. The current audit result is compared against the last audit completed at this same facility which is subsequently compared to the very first audit done at the facility.

B3. WORKING HOURS AND WAGES

Average total hours worked Weekly

Average wages paid in local currency (Euro €)

Provincial and country averages are based on average wages paid since past two years.

Special wage circumstances: NA

C. PERFORMANCE DETAILS

Current (18-Apr-2024) Last (05-Apr-2023)

C1. LABOR

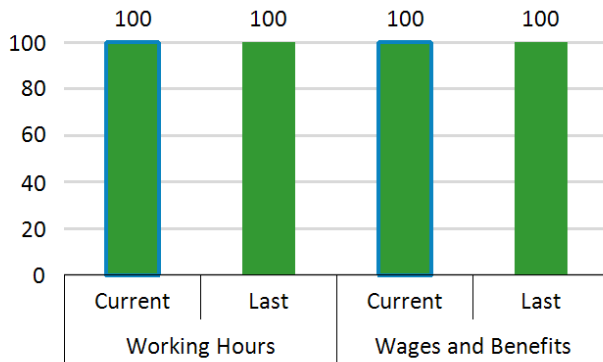

Labor Summary: Facility follows National Laws and Chemical Industry CBA (Chemical CCT), which state that the facility would not engage any persons less than 16 years of age. Age documentation such as ID card or Birth Certificate was required for review prior to hiring. Copies of age documentation are retained in employee personnel files. The facility maintains Information in the file regarding how long the employee has been working at the Facility and assesses the authenticity of age documentation and makes comparisons with sample documents. Facility ascertains the employee’s stated age through the interview process. The physical appearance of the employees selected is consistent with their age and employment history as documented in their personnel file. The facility documents the existence of an employment interview. Age and date of employment was stated clearly in employment application. Facility procedures are in compliance with local Laws, which stated that workers should be employed on the basis of their ability to do the job, rather than on the basis of gender, age, disability, sexual orientation, racial characteristics, cultural or religious beliefs or similar factors. The facility recognized and respected cultural differences, employment (hiring, wages, benefits, advancement, termination, and retirement) shall be based on the worker’s ability, not on personal characteristics. According to Portuguese labour law DI 7/2009 the employer can apply disciplinary measures such as the following, ordered from the soft to the extreme: Oral censure, written censure, disciplinary process, suspension from work without remuneration, loss of holiday days, and dismissal as the more extreme. The facility respects the provisions of National Laws, which includes Prohibition of Harassment or Abuse principle and encouraged employees to report instances of harassment or abuse without fear of retribution directly to Management. In fact, Management demonstrated respect for workers’ mental, emotional and physical well-being regarding any disciplinary action necessary. In case of need the facility will follow Portuguese law regarding disciplinary practices.

C2. WAGES & HOURS

WAGES & HOURS

100%

Wages and Hours Summary: The minimum wage paid by facility is 820€/month. Average wage paid at production workers is about 840€/month and a meal allowance from 9,60€/day that is above of the CBA. It was verified that wages are properly calculated and meet the minimum wage for the period. All applicable withholdings are properly calculated, withheld and promptly paid over to the appropriate government agency within the specified timelines. There are no payroll deductions for employment broker fees, housing allowances, food allowances or others. All employees are provided with a written and understandable statement of their pay for each pay period. According to employees' interviews salaries are always paid on time, by direct deposit on bank account. Production works from Monday to Friday, from 6:00am-2:00pm, 2:00pm-10:00pm and from 10:00pm-6:00am with 30 minutes of break lunch. Employees work 40 hours regular hours a week. Auditor noted an accurately record of work hours, by a biometric system - fingertip in the entrance of facility. Overtime hours is paid as +100% for the overtime hours during the weekends and bank hours system for the overtime hours during the week. The maximum and only overtime worked was carried out on Saturday (7 hours) in all 3 months sampled.
